Special Educational Needs Inclusion

1. Policy

1.1 Laurel Park is committed to meeting the needs of pupils with special educational needs and evaluating their progress.

1.2 The needs of pupils with special educational needs will normally be met in a mainstream school or setting.

2. Definitions and References

2.1 Laurel Park, in accordance with the Code of Practice 2015, recognises that children have special educational needs if they have a learning difficulty which calls for special educational provision to be made for them.

2.2 Laurel Park understands that children can be defined as having a learning difficulty if they have a significantly greater difficulty in learning than the majority of children of the same age or a disability which prevents or hinders them from making use of educational facilities of a kind generally provided for children of the same age in mainstream schools or mainstream, post-16 institutions.

2.3 The term parent(s) will be taken to include parents, carers or guardians.

2.4 Non-teaching staff that support pupils across the curriculum including accessing the curriculum are known as Teaching Assistants (TAs).

2.5 The use of the term 'SEND' is avoided, except for more formal contexts, in order to dissipate preconceived ideas and prejudices.

2.6 This Policy, other curriculum policies and schemes of work take appropriate account of the Disability Discrimination Code of Practice (2006), The Equality Act (2010) and the SEN Code of Practice (2015).

2.7 Whole school policies take account of the Code of Practice (2015) and the Principles contained in "Removing Barriers to Achievement (2003), and the Inclusive Education Programme. They also take account of the Disability Discrimination Code of Practice (2006), and The Special Educational Needs and Disabilities Regulations (2014).

2.8 Inclusion is defined by Laurel Park as a process that maximises the opportunity for all children and young adults to access a broad relevant and stimulating curriculum in a range of educational settings appropriate to their needs.

6. Identification, Assessment and Review

6.1 Procedures for the identification, assessment and review of pupils follow the guidance in the revised Code of Practice, as set out in chapter 5, 6 and 7 and form the basis of the school's graduated response to pupil needs.

6.2 The Initial Concern

Concerns about a pupil may be raised by parents, carers, any member of staff or professional involved with the pupil, or occasionally, by the pupil

The relevant SEND Initial Concern Referral Forms should be completed and passed to the SENCo

The parent must be informed and consulted by the SENCo or LST about the concerns raised, should be invited to contribute to discussions regarding differentiated strategies to support their child and notified of the review date

A copy is filed and the name of the pupil and review date is logged.

The SENCo or LST sets a review date, no longer than 6-8 weeks from the date of referral and parents and pupil are invited to attend along with any relevant staff or professionals

Prior to the review meeting, relevant school staff will audit the pupil's academic progress, personal development and, in particular, any issues that may be affecting the pupil's progress in school

Teachers and/or Heads of Achievement/Learning Areas will plan and implement a

differentiated curriculum and will set two or three individual targets to meet identified objectives. External professionals may also be involved as part of this process

During the next 6-8 weeks, the pupil's teachers Heads of Achievement/Learning Areas will also be asked to provide information on some, or all, of the following:

- Current levels, grades and test scores as appropriate
- Indication of progress in both class work and homework
- An outline of differentiated strategies used to support the pupil in accessing the curriculum and an evaluation of their success
- Comments on the behaviour or any other appropriate aspect of the pupil's performance
- An indication of the pupil's level of competency in named specific skills
- Feedback from the pupil

6.3 Initial Concern Review

This review takes place after a period of 6-8 weeks following the decision to implement a differentiated approach to the pupil

The Initial Concern Review is recorded using the form 'Action Steps following receipt of a SEND Initial Concern'

The meeting will be chaired by the SENCo or representative and will be attended by the pupil, parents, all key staff involved and any external professionals involved

Opinions of all will be valued and carefully considered

At the review a decision will be taken as to whether any further action is required.

Possible outcomes include:

- No further action is necessary.
- Continue to monitor the pupil for an agreed time period, with a view to all parties agreeing to conduct a further review of the pupil's progress. (This and subsequent reviews at the Concern Stage are recorded on the form 'Action Steps following receipt of a SEND Initial Concern')
- Place the pupil at SEND Support on the SEND Register

6.4 Triggers for SEND Support

There are many reasons why the decision that a graduated response to the pupil is now required. With the agreement of parents, a pupil will be placed at SEND Support if at least one of the following applies:

- Despite differentiated and personalised learning opportunities there is little or no progress in developing literacy or numeracy skills
- There are continuing on-going communication/interaction difficulties, which impede progress, despite the implementation of a differentiated curriculum
- There are continuing on-going persistent emotional and/or behavioural issues, which are not ameliorated by management techniques and the differentiated strategies employed
- The pupil has sensory or physical problems, which impede progress, despite the provision of specialist equipment and support

Learn - Persevere - Succeed

The school or parent/carer may want to seek the services of an outside agency. Concerns will be raised at the review or at a meeting called for this purpose. Referrals to external agencies, made with parental agreement, will be made if at least one of the following applies:

- There is still little or no progress in the development of literacy or numeracy skills, despite access to school-based provision.
- Pupil grades are substantially lower than that expected, despite access to school-based provision
- There are continuing, on-going communication issues, despite access to school-based provision
- There are continuing ongoing behavioural issues that have not been ameliorated through the pastoral behaviour systems, despite access to school-based intervention
- The pupil has sensory or physical problems which impede progress, despite the provision of specialist equipment and despite access to school-based provision

6.5 SEND Support

SEND Support is the provision that will be made by the school to meet the pupil's needs. This provision will reflect the wide variety of needs of pupils and in order to monitor provision and pupil progress, the following will now take place:

- A SEND file will be set up to include all SEND documentation pertaining to the pupil
- Regular reviews, involving the parents and pupil, will be arranged including one annual review with parents and the pupil and additional review meetings arranged as appropriate.
- Teachers will be consulted regularly regarding pupil interventions and progress
- A SEN Support Plan will be drawn up using targets identified by some, or all, of the following: the pupil, teachers, parents, Head of Achievement
- The pupil will have access to school based provision, as appropriate to their needs
- Staff will be notified that the pupil has been added to the SEND Register
- Information on the pupil's needs will be made available to all involved with pupil, as appropriate
- If appropriate, the school's graduated response is supported and enhanced by the advice and/or provision of specialists from an external agency, e.g. an Educational Psychologist, Speech and Language Therapist, CAMHS
- The pupil will have access to external provision/advice, as appropriate to needs (This support may be delivered in-house or externally.)

6.6 Triggers for Statutory Assessment for an Education, Health and Care Plan

In some circumstances, it may be deemed necessary to seek a Statutory Assessment. The school follows guidelines given in the revised SEND Code of Practice. The criteria for seeking a Statutory Assessment are laid down by the local authority responsible for the pupil. The importance of close liaison with parents is recognised during the Statutory Assessment process

The SENCo, in liaison with all involved with the pupil and with parental agreement,

submits a request for Statutory Assessment or SA1

6.7 Statutory Assessment for an Education Health and Care Plan

When a pupil is issued with an Education, Health and Care Plan (hereafter referred to as EHCP) the school has a legal duty, with the support of the child's residing local authority (hereafter referred to as the LA) to make the provision outlined in Section F of the EHCP

Following the formal presentation of an EHCP, the SENCo will: undertake to co-ordinate provision for the pupil based on specification written in the EHCP and, within six weeks of the Final EHCP issue date, will hold an initial planning meeting with the parents and all involved professionals and will:

- Allocate the pupil to a Learning Support Teacher and allocate Teaching Assistant support, if appropriate, ensuring that all support, as specified in the EHCP (staffing permitting), is implemented
- Ensure that appropriate written information is available for staff, as appropriate
- Oversee the formulation of an EHCP Student Support Plan (therefore after referred to as ESSP)
- Ensure that the ESSP is delivered and monitored
- Liaise with, and ensure access to, external agencies as appropriate
- Liaise with the LST to co-ordinate the Annual Review, inviting parents and all professionals involved in the pupil's education

6.8 Change of provision from Education, Health and Care Plan (hereafter referred to as EHCP) to Student Support Plan

On occasion, the LA will decide that a full EHCP is not warranted, but may wish to outline the specific needs of a pupil. In this instance, a Student Support Plan is issued and in such cases Laurel Park will follow the advice contained in the Student Support Plan and will support the pupil at SEND support.

6.9 English as an Additional Language (EAL)

The identification and assessment of pupils, whose first language is not English, requires particular care. The school makes a clear distinction between EAL and SEND. A pupil may be failing to make adequate progress, or be unable to access the curriculum, due to difficulties related to having English as an additional language

In such cases, careful assessments will be undertaken to ascertain whether there are also any SEND issues that might be affecting the pupil's progress

The EAL co-ordinator, responsible for EAL pupils, will assess pupils using the EAL Assessment Procedures

Pupils who are not making appropriate progress will be identified using the Initial Concern Record

Pupil progress will then be monitored carefully and further assessments carried out by the SENCo, specialist teacher or other professionals, as appropriate

7. Review Procedures

7.1 The review process is viewed as an ongoing process and occurs at all levels of day-to-day school operation and management. The review of pupils on the SEND register is carried out in line with guidelines in the Revised Code of Practice 2015.

7.2 SEND Support Plan Reviews

9. Record Keeping and Monitoring

Records need to be kept up to date. The regular assessment and monitoring of pupil progress is essential to ensure that pupil needs are met and to ensure that all relevant information is accessible to all individuals and agencies involved, via the LST. It will be used, whenever appropriate, and will play a vital role in the development of effective assessment and monitoring systems and in the management of information. The use of SIMS and Go4Schools should be utilised to reduce bureaucracy and improve the dissemination of pupil information within the school. To ensure appropriate provision is made, and to maintain pupil confidentiality, the following broad principles are adhered to:

- 9.1 Confidential files on all pupils on the SEND register are kept in secure folders on the system; LSTs have access to these records.
- 9.3 Teaching Assistants have access to the records, on a need to know basis, at the discretion of the SENCo & LST.
- 9.4 SEND files/details of Year 7 pupils who transfer to Laurel Park on the SEND register are read by the Head of Achievement, LSTs and SENCo. Records are scanned in and filed in a secure pupil file.
- 9.5 Files of all pupils are trawled by the SEN Administrator.
- 9.6 All documentation related to safeguarding and child protection are removed from the main pupil file and SEN file and are transferred to a secure safeguarding folder.
- 9.7 The SEND Register is maintained by the SENCo and is available to all teaching staff and TAs. The SEND Register is a working document and is kept constantly under review.
- 9.8 Confidential SEND records are filed in secure pupil files, containing all records pertaining to the pupil, with the exception of safeguarding and child protection records.

The SEND Pupil File contains:

- A copy of the Education Health and Care Plan, if applicable
- Records of reviews including Outcome of Annual Reviews for pupils with EHCPs

- Pupils' provision maps
- Access arrangements information, if applicable

10. Access to Examinations

To ensure that appropriate arrangements are in place for pupils sitting GCSEs and BTECs, in Years 10 and 11, and A Levels in a future proposed Laurel Park Sixth Form, the school follows procedures set out in the Policy for Access to Examinations.

11. Admissions for Pupils with SEN and Disabilities

11.1 The Admissions Arrangements for entry to Laurel Park can be found on the school website and are also available from Enfield Education.

11.2 Laurel Park's Admissions Policy for all pupils, including those with Special Educational Needs, applies equally to all pupils, with the exception of pupils with an EHCP. For pupils with EHCPs, a consultation process is undertaken between the residing local authority and the school. Laurel Park has policies in relation to Equal Opportunities, an Access Plan and a Disability Statement.

12. Accommodation

Laurel Park's design means it is **not** fully accessible. The Access Plan sets out the school plan to maintain and improve access for pupils with SEND.

13. Inclusion strategies

13.1 At Laurel Park it is recognised that all pupils should have access to a broad, balanced curriculum.

13.2 Pupils are taught both in ability sets and mixed-ability groups, with work appropriately differentiated to meet the needs of individuals within the set or teaching group.

13.3 Support for pupils is organised in a variety of ways:

- Nurture Set in Year 7 and 8: Up to 12 pupils entering the school in Year 7, with levels well below expected norms, are taught by a SEND specialist in a dedicated classroom for English, maths and other deemed subjects. For Drama, PE, Music and DT pupils are taught in mixed ability groups with TA support, as appropriate. Progress is closely monitored; pupils move up to higher sets in subjects where they are assessed as working at an appropriate level
- Teaching Assistant support in-class: for individuals or small groups of targeted pupils
- Teaching Assistant withdrawal support: for individual pupils or small groups for a

Learn - Persevere - Succeed

specific programme of intervention, under the supervision of the LST responsible for the pupil(s)

- LST support in-class: for individual pupils or small groups for targeted support
- LST withdrawal: to provide a structured programme of intervention for an individual or group of pupils. Pupils with Specific Learning Difficulties (dyslexia, dyspraxia) are placed on list and are withdrawn for individual or group sessions for targeted interventions
- Intervention Programmes: varied interventions, including social skills, literacy, attention and listening are delivered during the school day, at break times or offered as an extra-curricular activity to targeted pupils
- External Specialist Support: individual, small group, in-class support and intervention, according to need

13.4 Every pupil on roll at Laurel Park is fully included in all aspects of school life e.g. extended learning opportunities, educational trips, extra-curricular activities and special events.

13.5 Each Learning Area will be evaluated by the SENCo, on an annual basis, to ensure access planning in relation to curriculum provision for SEND pupils and strategies to promote the inclusion of pupils with SEND.

- 13.6 Resources will be provided to meet the individual needs of pupils with physical, sensory or other needs.
- 13.7 Laurel Park recognises that effective teaching for pupils with SEND shares most of the characteristics of effective teaching for all pupils. Teachers at Laurel Park will, through in-service training and specialist advice, develop the skills to respond to the wide range of pupil needs within the classroom.
- 13.8 The principles of learning and teaching underpinning personalised learning will:
- set high expectations and give SEND learners the confidence that they can succeed
 - establish what pupils know and build on it
 - structure and pace the learning experience to make it both challenging and enjoyable
 - inspire learning through passion for the subject
 - make individual pupils active partners in their learning
 - develop pupils' learning skills and personal qualities
- (From "Removing the Barriers to Achievement" (DfES 2003))
- 13.9 ICT and e-learning strategies will be used extensively to meet the individual learning needs of pupils. This will provide self-paced learning and will also facilitate the involvement of parents in their child's learning.
- 13.10 LSTs aim to develop close liaison between home and the school and will, as appropriate, provide support, information meetings and specialised visitors for the parents of pupils with SEN and disabilities.

14. Complaints Procedures

- 14.1 The school follows the Department for Education Guidance for dealing with parental complaints, as outlined in the Laurel Park Complaints Procedure. At all times, Laurel Park, endeavours to work in close partnership with parents aiming to resolve all issues of dispute at the outset. At all stages of concern, parents are contacted and invited to discuss the issues.
- 14.2 Complaints concerning provision for pupils with EHCPs can be made to the residing authority responsible for the pupil. Parents are informed of this procedure when the EHCP is issued.

15. INSET Staff Development and Induction

- 15.1 Laurel Park endeavours to promote good practice by raising awareness of inclusive education by providing a range of relevant INSET. In addition, the SEN Team offers additional INSET to meet the needs of groups and individuals, both within the SEN department and the school.
- 15.2 All members of the SEN Team are included in the school's professional development cycle of performance management. All members of the team attend courses identified through their professional development interviews.

Learn - Persevere - Succeed

- 15.3 The SENCo and LSTs attend courses relevant to the needs of the department and specific pupils on their caseload.
- 15.4 The SENCo LSTs offer INSET as part of the Induction Programme for newly qualified teachers.
- 15.5 The SENCo LSTs provide INSET for all members of the department which is delivered during scheduled training sessions. This INSET is sometimes delivered by guest speakers and addresses needs for training identified by members of the department.
- 15.6 The SENCo and LSTs organise and deliver whole school INSET as and when appropriate.
- 15.7 TAs are encouraged to attend training both to meet their own training needs, identified through Performance Management, and to meet the specific needs of pupils for whom they are the key worker.
- 15.8 All TAs and LSTs attend whole school training days, where appropriate. On some occasions alternative training, better suited to the needs of the department, is organised.
- 15.9 The SENCo updates SLT, HODs and the Pastoral Team regarding SEND matters through the forum of the weekly Wider Leadership Team Meeting.

16. External Support

- 16.1 Most pupils with EHCPs and some on SEND Support receive input/support from one or more external agencies.
- 16.2 The Code of Practice states that 'Schools may involve specialists at any point to advise them on the early identification of SEN and effective support and interventions. A school should always involve a specialist where a pupil continues to make little or no progress or where they continue to work at levels substantially below those expected of pupils of a similar age despite evidence-based SEN support delivered by appropriately trained staff.' (SEND Code of Practice, 2015) and there is a commitment for careful planning to ensure that pupils have access, both to the specialist support to meet their needs and to the broad, balanced and relevant education, including the National Curriculum.

17. Parents and Carers

- 17.1 The school recognises that parents and carers have a vital role to play in the development of the pupil, as stated in the 2015 Code of Practice 'the importance of the child or young person, and the child's parents, participating as fully as possible in decisions, and being provided with the information and support necessary to enable participation in those decisions' is something that must be taken into account.'

The school also recognises that parents are the true "experts" in matters related to their child. The school, therefore, strives at all times to work in partnership with parents to

ensure that the special needs of the pupil are met appropriately. To this end, we aim to meet these objectives:

- Parents/Carers will be involved in the review of this policy
- Parents will be informed of the existence of this policy which is published on the school website
- Parents will always be fully involved in the process of placing a pupil on the SEND register
- Parents of pupils causing concern will be advised of the nature of the school's concern and will be invited to Initial Reviews to contribute to action planning for their child
- Parents will be invited to all ESSP/SSP Reviews. Should parents be unable to attend reviews, alternative appointments will be offered, where possible
- The school will endeavour, either through its own resources or through local services, to provide translators for parents and will also, where necessary, endeavour to ensure parents are able to access digital translation
- Laurel Park will provide reassurance and advice for parents who feel anxious that their child may have special needs
- The school will make every effort to inform parents about people or organisations, both within and outside of the school, who might be of interest or assistance to them

18. Pupil Participation and Involvement

- 18.1 The school recognises the importance of pupil participation. The school acknowledges that pupils have a right to obtain and make known information, express an opinion, and have that opinion taken into account in any matter or procedure involving them. The views, wishes and feelings of the pupil are an underpinning principle in the Revised Code of Practice 2015 for SEND and, as such, the school makes every effort to take these views into account when planning for pupils.
- 18.2 Staff will make every effort to be sensitive to the feelings of the pupil and will endeavour to ensure that support is offered in a timely and sensitive way.
- 18.3 Staff will ensure that pupils are assured of appropriate confidentiality.
- 18.4 Pupils will be invited to discuss the type of support they require and efforts will be made to meet these needs when practicable.
- 18.5 All pupils, including those with SSPs, are involved in the setting of targets.
- 18.6 Pupils are invited to attend all reviews. For some pupils, it may be appropriate to invite them to the review for some, rather than all, of the review meeting. This decision is taken jointly, both by the professionals concerned and the parents or guardians. The pupil's views are always recorded and are taken fully into account in the decision-making process.
- 18.7 For pupils on the SEND register, the following practices are observed:
- During reviews, which take place during Parents' Evening, at a designated meeting times or during the Annual Review (for those with EHCPs) pupils will be fully involved in the negotiation of targets for their SSP or ESSP

Learn - Persevere - Succeed

Further targets for the SSP or ESSP may also be negotiated with the Learning Support Teacher. As far as possible, the pupil will be actively involved in producing the SSP or ESSP document and in the ongoing evaluation of their own progress towards the targets set.

- 18.8 All pupils are invited to comment on, and evaluate, their own progress through the review process at the SSP review or at the Annual Review of the EHCP. In the case of pupils with EHCPs and for some at SEN School Support, views will be recorded on a 'Pupil's Views' form.
- 18.9 To develop the delivery of personalised learning, as detailed in "Removing the Barriers to Achievement" (DfES 2003), Laurel Park will:
- have high expectations of all pupils
 - build on the knowledge, interests and aptitudes of every pupil
 - involve pupils in their own learning through shared objectives and feedback (assessment for learning)
 - help pupils to become confident learners
 - enable pupils to develop the skills they will need beyond school

19. Transition Arrangements

19.1 Primary to Secondary

The Transition Officers and SENCo liaises with feeder primary schools in collaboration with the senior teacher responsible for Primary-Secondary Transition. Information on all pupils with SEND is requested using locally agreed transition procedures. To ensure smooth transition for pupils with the greatest difficulties, an additional visit for pupils with EHCPs is arranged during the Summer Term, prior to the Year 6 Transition Day.

The SENCo /LSTs undertake close liaison with primary SENCOs, and support staff in primary schools, to facilitate the implementation of transition programmes for specific pupils, as appropriate.

The Transition Officer requests an invitation to all Year 6 EHCP Reviews for pupils with EHCPs. When necessary, the SENCo /LST will also attend reviews for pupils on SEND support.

In addition to data from the Cognitive Abilities Tests CATs, conducted as part of the admissions procedures, all pupils will be tested and screened for reading with a view to further identification of SEND and to form a base-line for future progress.

The SENCo will also make use of any test results or assessments conducted during the primary phase, made available to Laurel Park by the primary school.

The SENCo, in collaboration with the Pastoral Team and HODs, supports the assessment of all pupils accepted into the school after the beginning of the school year.

19.2 Year 9 Transition

- The SENCO and LSTs liaise with Enfield Careers Services with regard to all pupils who

are likely to require support during Post 16 Education. The SEND Officer meets all pupils, during Years 9 – 11, who are likely to require support in Post 16 Education

- In Year 9 the Careers Advisor is invited to attend all Year 9 Annual Reviews
- Where appropriate, representatives from Social Services are also invited to Year 9 Annual Reviews, to ensure parents/carers and pupils are fully informed of the options and services available to them
- A copy of the Annual Review is forwarded to the Parent/Carer, Pupil, Careers Co-ordinator and any other professional involved. A copy is also placed in the confidential pupil file
- The SENCo & LSTs are available during the selection of option subjects, taken in Years 9-11, to assist and advise pupils, parents and carers in their subject and course choices

19.3 Year 11 Transition

The SENCo & LSTs continue to liaise with the Enfield Careers Service regarding all pupils identified in Year 9 who are likely to require support during Post-16 Education
The SEND Careers Advisor is invited to the Year 11 Annual Review to establish the pupil's future needs and to advise and assist in planning for Post 16 Education
The SEND or School Careers officer also meets all Year 11 pupils for a careers interview. Parents may be invited to this meeting on the request of pupils

20. Safeguarding

20.1 The School recognises that pupils with SEND and disabilities may be significantly more at risk of abuse than other pupils. Research suggests that they may be three times more likely to suffer abuse than children without disabilities. For this reason, all staff at the school, including Teaching Assistants, are trained to recognise the signs and indicators of child abuse.

20.2 The SENCo are trained as Designated Safeguarding Leads. Particular care is always taken in monitoring the wellbeing of pupils with SEND.
